

TAGLaw Fall 2013 International Conference: Munich

To help local firms that wish to send additional attendees, but only for part of the TAGLaw conference, we've priced individual segments. The cost of lunch is included in each of the Tuesday and Wednesday daytime segments because this is where most of the networking takes place and we want to encourage partial attendees to meet as many members as possible.

Attendee Information

Attendee Full Name: _____

Attendee First Name for Badge: _____
