## LITIGATION & DISPUTE RESOLUTION

### The Netherlands

The Netherlands is well-known for its strategic geographical position, superior transportation, communication and distribution infrastructure and favourable tax climate which makes The Netherlands an ideal operations centre for overseas companies to service markets in the European Union, Eastern Europe, the Middle East and Africa. The economy is easily one of the most open economies of the world which is reflected in Nysingh's practice.

### Full-service

Nysingh is a full-service commercial law firm with almost a 100 lawyers specialized in serving national and international clients to achieve their commercial goals. Since joining TAGLaw more than 10 years ago, our Dispute Resolution team of over 50 lawyers, has welcomed the additional opportunity to contribute to the success of TAGLaw members and their clients and made this part of their international strategy. The significant successes enjoyed make TAGLaw an established

As of the 10<sup>th</sup> of October 2010 The Netherlands include Bonaire, Saba and St. Eustatius as Dutch municipalities and Aruba, Curacao and St. Maarten as independent countries within the Kingdom.

Our litigators include the nation's leading lawyers in the fields of European law / competition law, health, corporate, insurance / construction, transportation, public law and general liability disputes. Among these several shape their field of practice as professors, judges and arbitrators as well.
