

Changes for 2011!

Learn & Lead

Since 2007, TAG Academy has offered more than 100 live instructional webinars to help you grow professionally. To meet the needs of members around the world, we will now offer all of our courses exclusively as recorded downloads for only \$50.00* (USD) each. This means you can download a course at any time, and share it with everyone in your firm an unlimited amount of times.

Upcoming Courses

- The Keys to Improving Profitability in an Accounting Firm
- Love the Ones You're with: Generating More Work from Your Existing Clients
- Planning Your Way to Success: Personal Strategic Planning for Lawyers
- Portrait of a Successful Practice Group Leader
- Successful Business Development Strategies for Women
- Succession Planning: Why Good Preparation Never Gets Old
