

TAG PROPERTY GROUP NEWSLETTER

FROM THE CHAIR - KAREN MASON OF BOODLE HATFIELD

Amsterdam

The Taglaw spring conference in Amsterdam was a great event. The conferences are continually developing and the Amsterdam conference hosted by Dutch firms Nysingh and Rassers was certainly a big success. Nysingh and Rassers were joint hosts of the event and certainly both played their part as hosts very well. I also wish you were all there to hear the heartfelt speech by Ilmar-Erik Aarakiri, TAGLaw member from Estonia.

We at Boodle Hatfield were so impressed again with the singing of Magnus Hybbinette we have booked him for our carol service at the [Grosvenor Chapel](#) on 14 December 2010. Do please come and join us if you are in London at that time.

The meeting of the TAG Property Group took place at the end of the sessions on Tuesday afternoon and was combined with a group meeting of the Hotels Speciality Group. A copy of the slides presented at the group meeting can be accessed by [clicking here](#). In addition, there was some debate about the permanent merging of the two groups. There was also some discussion regarding the forming of a much larger leisure group. The session was more poorly attended than I had anticipated partly due to the overrunning of the Board Report and also the programme in general. At further conferences I shall be pushing for the Wednesday morning slot for our group meeting.

TAG PROPERTY GROUP GOES TO MILAN

I am delighted to announce that Studio Legale Sutti have agreed to host the second TAG Property Group mini conference in Milan. Save the dates **18/19 November 2010** for attendance at this mini conference which again will be tailored to look at issues central to the group. We are busy planning the programme. MIPIM 2011

The TAG Property Group had another successful trip to the major property conference Mipim in Cannes in March 2010. This was the third year we have been to Cannes together as a group. This year was by far our biggest gathering and our most successful.

We had five firms participating (1) Boodle Hatfield (Taglaw London) (2) DTE – (Tiag Manchester) (3) Kuits (Taglaw Manchester) (4) Racine (Taglaw France) and (5) Williams Mullen (Taglaw USA Virginia). [Click here](#) to view some of the photographs of the event.

We will shortly start planning for Mipim 2011. [Click here](#) to register your interest in being part of our group for 2011. I will be arranging conference calls soon so make sure you are included on these early calls.
